

Spare Parts

UD3 (M350C)
IGEL Technology

June 28, 2022

1 Background and Validity

IGEL offers a repair service with an availability of 5 years after end of production (for warranty purposes, 2 years standard warranty upon the shipment date from the IGEL warehouse plus an additional 3 years after registration, according to the IGEL End Customer Hardware Warranty Declaration in June 2021¹).

Spare parts listed below are in only use by our repair service and can't be requested separately.
